

Cibola High School

Football Booster Club

July 7, 2011

Dear Community Business Member,

The 2011 Cibola High School Football season is beginning and our football players are getting geared up for another memorable season.

We are asking community businesses to take part in sponsoring their local football program. Your generous sponsorship provides equipment and materials that are not within the funding provided by APS, and enables us to reward our student athletes for the hard work put forth throughout the football season. Our program emphasizes and promotes teamwork, good sportsmanship, citizenship, respect for coaches, teammates, opponents and the community.

For making your commitment to the 2011 Cibola High School Football Program by August 13th, 2011 you will be included on our 2011 football poster. The poster will be proudly displayed throughout the city by sponsors and supporters of the Cibola Cougar Football Program, and is a great way to show your community support and your business endorsement of high school sports. The poster will include pictures of the Freshman, Junior Varsity and Varsity teams, along with the Varsity schedule and the business cards of our Official Sponsors. It is anticipated that the posters will be available for distribution at the end of August.

Please make your check payable to Cibola Football Booster Club, and include your business card for the poster. Include the player's name in the memo line of your check, and return it with the bottom portion of this letter so that the player receives credit for your sponsorship. If you have any questions, or need further information, please contact the Booster Club President, Erick Ornelas at 505-620-3332.

Thank you in advance for your generous support of the Cibola High School Football Program.

Respectfully,

Erick Ornelas
President Cibola Football Booster Club

Judge Chavez
Head Coach Cibola Football Program
