

Dear Community Member,

We, the Cibola High School Football Boosters, are preparing for our annual Silent Auction to be held during the Cibola High School Open House and we are asking our community businesses to invest in a valuable program which emphasizes and promotes academic excellence, good sportsmanship, responsible citizenship, and respect.

Your generous donations enable us to provide equipment, uniforms, materials, and end of the year gifts for the CHS Football program, rewarding these student athletes for the hard work and effort that they put forth throughout the football season.

If you have any questions, please contact Rachel Stash at 505-410-1089 or Carol Karakla at 505-366-9820 or cibolafootball@gmail.com.

Thank you in advance for your consideration.

Sincerely,

Rachel Stash
